The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for a Sensitive Compartmented Information Facility (SCIF) Construction Project in Fiscal Year 2027. The entity to receive funding for this project is the Fairfax County Government located at 12000 Government Center Parkway, Fairfax, VA 22035. The funding would be used for design and construction of a SCIF. The project is an appropriate use of taxpayer funds because it would allow the Fairfax County Police Department and its partners' leadership to communicate top secret information with federal, state, and local law enforcement agencies throughout the National Capital Region to ensure public safety.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

  
James R. Walkinshaw  
Member of Congress
