Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Scotts Run Sanitary Sewer Siphon Rehabilitation in Fiscal Year 2027. The entity to receive funding for this project is the Fairfax County Government located at 12000 Government Center Parkway, Fairfax, VA 22035. The funding would be used for rehabilitating the entire Scotts Run Siphon System using the CIPP (cured-in-place-pipe) trenchless pipe renewal method. The project is an appropriate use of taxpayer funds because it will ensure the continued protection of the Potomac River and protect the health of Fairfax County residents who rely on the siphon to convey their sewage for treatment.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 etseq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

James R. Walkinshaw
Member of Congress
