The Honorable Rosa DeLauro

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Central Elden Walkability in Fiscal Year 2027. The entity to receive funding for this project is the Town of Herndon located at 777 Lynn Street, Herndon, VA, 20170. The funding would be used for the reconstruction of 0.3 miles of streetscape along the south side of Elden Street between Center Street and School Street. The project represents a valuable use of taxpayer funds because it will significantly improve pedestrian safety, accessibility, and ADA-compliant sidewalk conditions.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2) and 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

James R. Walkinshaw
Member of Congress
