Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for a multigenerational park and playground in Fiscal Year 2027. The entity to receive funding for this project is the Fairfax County Government located at 12000 Government Center Parkway, Fairfax, VA 22035. The funding would be used for a multigenerational park and playground, which will provide accessible recreational opportunities and inclusive community gathering spaces for residents of all ages. The project is an appropriate use of taxpayer funds because it will create inclusive recreational space, improve public health outcomes, and provide equitable access to parks and green space for surrounding neighborhoods and nearby senior residents.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

James R. Walkinshaw
Member of Congress
