Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Sugarland Run Trail Improvements in Fiscal Year 2027. The entity to receive funding for this project is the Town of Herndon located at 777 Lynn Street, Herndon, VA, 20170. The funding would be used to construct 3,500 feet of ADA compliant multimodal trail through Runnymede Park. The project is a valuable use of taxpayers funds because it will serve in correcting long standing accessibility barriers, enhancing safety and expanding access to natural resources for individuals with disabilities, families, older adults, and school groups.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2) and 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

James R. Walkinshaw
Member of Congress
